

CABLE/SATELLITE DISH/TV REQUEST

Date: _____

To: Ramona Property Managers, Inc.

Re: Request to install _____ at _____

As of today's date, I (we) the tenants at the above referenced address, make a request to install cable and/or satellite dish.

We understand the following if approved:

1. We are responsible for the cost of installation and this will not be reimbursed to us at any time
2. When the company completes the installation, there is to be no damage to the property. If there is damage, we are responsible for the cost of repairs and/or maintenance.
3. If a satellite dish, we must call Ramona Property Managers for approval of the location prior to installation.
 - a. We understand satellite dishes cannot be installed on any part of the roof including fascia, overhand, or structural parts, and will be removed without prior notification at our expense
4. If the service provider requires written authorization, they are to submit their documentation to the Ramona Property Managers office, and Ramona Property Managers will complete the documentation.
5. When leaving property, it is our responsibility to disconnect the services, remove all cables, and pay all billings incurred by the tenants listed below.
6. Any damage incurred upon disconnection will be at our expense.
7. We understand all persons on the rental/lease agreement are required to sign below and all are jointly and severally liable.
